## CHILDREN'S HOLIDAY PARTY HAS MAJOR TURN-OUT

~ Melody Palm

Horton Field House was full of activity, laughter and holiday cheer at the Children's Holiday Party on Sunday, December 7. A new record was reached this year with 834 reservations received for this event. This annual party is co-sponsored by the Civil Service Council and the Administrative/Professional Council.

Illinois State President Al Bowman opened the party with a warm welcome and holiday greetings. Santa, Mrs. Claus, and one of their elves visited with children, with Christa Lawhun assisting photographer Tony Jennings. Reggie Redbird also attended the party to spread "Redbird Holiday Spirit."

Gamma Phi Circus entertained the crowd with 48 performers in a variety of acts including acrobatics, tightrope, unicycles, juggling, wheel gymnastics, clowns, bicycle tricks, and even a giant jump rope. Brian, Levi, and Logan Huonker made balloon animals, and taught interested participants how to make their own. Meredith Taylor, Art Education major, entertained with puppet friends, Tofu the Panda and Raveny Raven. Kameron Cox and Barbara Reinagle offered face painting, while Noodles & Company provided bead necklace crafts. Children were able to enjoy three inflatable play environments this year. Campus Dining provided lemonade and water. Soemer Simmons and Shirley Willis helped prepare goodie bags for all the children, including treats and items from Alumni Relations, Athletics, Printing Services, and Noodles & Company. Cindy, Nicole, Charles,

Alex and Erikah Arbogast helped throughout the event in many ways. Special thanks to Fieldhouse and Facilities staff for their help, also.

Many members of the two Councils and their families helped with the event. We appreciate everyone who pitched in, and all those who attended to make the event a success!

## Updating Yourself & Survivor Planning

~ Martha Burk, Annuitants Assoc.

The ISU Annuitants Association Survivor Advocacy Team has decided that because of common questions they experience upon the death of annuitants, the emotional trauma at the time of death, and the positive feedback given by participants last year, it would be a good idea to again host educational sessions on preparing for the death of an annuitant. The focus will primarily be on SURS procedures, and to assist in filling out the papers to receive your survivors' benefits. A "checklist" will be distributed and discussed. The format will be small group presentations and discussions led by Advocacy Team members.

The groups will be limited to 16 to 20 people for each session and advanced registration is required. It is most beneficial if both the annuitant and potential survivor attend. It is also important to know which benefits plan (Traditional, Portable, or Self-Managed) you participate in.

The 2009 sessions will take place at the ISU Alumni Center, 1101 North Main Street from Noon to 2:30 p.m. on the following dates:

**Wednesday, March 18**

**Wednesday, April 22**

**Tuesday, May 12**

Parking is plentiful at the Alumni Center. Participants may bring a sack lunch, and coffee will be available.

The same information will be covered at each session so you only need to attend one.

For information, and/or to register, contact: Mary Liverman, mcliverman@verizon.net (309)452-4181 or Edna Johnston, erjohns@verizon.net (309)452-5142.

## HOLIDAY SEASON SAFETY

~ Aaron Woodruff, Police Department

### When Shopping:

- Be ALERT and AWARE of your surroundings. Pay attention to who is around you and what activities are happening. Don't leave the safety of a building or your vehicle until you have ensured all is secure and safe. Trust your instincts; if you feel uncomfortable with a place or person(s), get away.
- Park in a well-lit area.
- Remember to lock your vehicle!! Keep vehicle doors and windows locked while you are in it and especially when you are not! Use anti-theft steering wheel clubs or locks as well. A thief is looking for easy targets and anything you can do to deter them from choosing your car, the better.
- Minimize the number of valuables left in your vehicle and keep valuables, electronics (including cell phones and DVDs), gifts and other "theft attractors" out of sight.
- Protect your purse or wallet and clean out any unnecessary items before leaving home. Don't carry large amounts of cash or extra credit cards. Carry only those cards that you will need to use that day. Keep a master list of all cards so if your wallet is stolen, they can be reported promptly to the appropriate banking facility.
- Never leave your purse, wallet or cell phone unattended in a public place.
- Don't overburden yourself with packages while shopping.
- Shop with a buddy – there is safety in numbers.
- Role-play with children about what should happen in the event you are separated.

- Have your keys out and ready when you return to your vehicle.
- Do not leave your car unattended with the motor running or with the keys in the ignition – even for the very short time needed to do a quick errand or pay for fuel.
- Only make online purchases from trusted, secure websites. Look for "https" in the web address to verify security.

### At Home:

- Make sure all doors and windows have secondary locks (window pins, deadbolts, dowels, etc.) and use them!
- Ensure that dark areas and entrances have outdoor lights that are turned on after dark or that are activated by sensors.
- Place gifts where they can't be seen from the outside.
- Avoid opening the door to strangers. Legitimate delivery people will be able to show identification.
- Investigate charities before donating by calling the charity's main office.
- Be sure to mail cards with money, checks or gift certificates from the Post Office or a blue U.S. Postal Service collection box.
- If traveling, use timers for lights and radios while you're away. Ask a trusted friend, neighbor or Block Watch member to watch your home. Remember to make arrangements for mail and newspapers.
- Be sure your Christmas tree is mounted on a sturdy base so children, elderly persons or family pets cannot pull it over on themselves.
- If you use lights on your Christmas tree, ensure the wiring is not damaged or frayed. Frayed or damaged wiring can cause a fire.
- Place your Christmas tree in water or wet sand to keep it green.
- Never place wrapping paper in your fireplace.

### When Driving:

- Recognize that the holidays can cause stress – keep emotions under control while driving. Give other drivers plenty of space and always leave yourself a route to avoid an accident.
- If you attend parties where alcohol is served, remember to use a designated driver.
- Prepare for winter driving conditions and equip your vehicle with cold weather emergency supplies.
- Minimize distractions such as talking on a cell phone.
- Take frequent breaks to avoid fatigue, especially when driving long distances. If you get tired, stop and rest until you're able to drive with full attention.
- Buckle up! That means passengers and kids, too!!
- Be patient! Give yourself extra time for travel, especially in snow or rain. Even in dry conditions, traffic during the holidays is heavier than normal, and it will take longer than you expect to get around.

### After the holidays:

- Pay close attention to bills and report any unauthorized charges.
- Photograph and record the serial numbers of new items and add them to your inventory.
