## FOUNDERS DAY 2013

Don't forget to participate in the Illinois State University Founders Day celebration on Thursday, February 21, 2013.

**ILLINOIS STATE  
UNIVERSITY**  
*Illinois' first public university*

Founders Day is a time to reflect upon Illinois State's heritage and its vision. It is also a day to honor the many accomplishments of our faculty, staff members and students.

During Founders Day 2013, Illinois State will honor such traditions as the bell-ringing ceremony and Convocation. We will also showcase our outstanding academic colleges and the departments that provide support for the University community.

This year, Founders Day will also launch a yearlong celebration of the 150th anniversary of the Illinois State University Alumni Association.
